

**Tuition Support Bursary
Application 2010-2011
Deadline: June 30, 2010**

MCI is fortunate to be able to offer a number of significant bursaries, which are a result of the generous donations of MCI alumni and friends. A number of these have been established as a memorial fund commemorating a lifetime association with MCI.

The MCI Board has also made some resources available to assist families in financial need in order to support students/families in their pursuit of a quality Christian education.

Assistance is available to families who clearly demonstrate financial need. **A portion of the cost of tuition may be provided**, but is not available for room and board. To apply for tuition support an appointment must be arranged with the principal or business administration.

All financial information will be held in confidence. These applications must be submitted on an annual basis.

Families are encouraged to explore all other available resources such as church support, grandparents who are willing to help or scholarship/bursary/loan programs in their community.

Name of parent/guardian making the application: _____

Relationship to student: _____

Student's name: _____ Date: _____

Grade Level 2010-2011: _____ Estimate of Current GPA: _____

School Attended: _____

Family Resources Available
